You Will Need

Scissors
Coloring pencils or crayons
Glue
Sticky tack
Construction paper or card stock paper
Box template, L-shape spring template and the puffle template

PUFFLE-IN-THE-BOX

Directions

**Make sure your parent or guardian helps you with these!*

1. Print the page below.
2. Color in the pictures.
3. Cut around the dotted lines.
4. Fold the flaps of the box template, and glue together, leaving the lid open. Put to one side.
5. Taking the L shape, fold one length over the other, over and over again, to make a spring.
6. Glue down the end of the spring.
7. Choose a puffle picture to use and glue it to the top of the spring.
8. Glue the other end of the spring to the bottom of the box.
9. Push the spring inside the box and shut the lid. Use sticky tack to keep it closed.
10. Give the box to a friend and ask them to open it for a surprise!
